Oregon Mentors is Hiring

Oregon Mentors is excited to announce that we're hiring an Assistant Program Manager at our office in Portland to support our great programs and to advocate for mentoring. We're accepting applications until August 19 and are anticipating a start date in September or October. For the complete job description and application details, please visit [our Web site](#). We look forward to introducing you to the newest member of our team this Fall!

NAO Scholarships Still Available for Registered Programs

Oregon Mentors has a scholarship fund at Nonprofit Association of Oregon (NAO, formerly known as TACS). Registered Oregon Mentors programs have access to \$250 scholarships for any class, service, or network available at www.nonprofitoregon.org. This \$250 is administered annually and NAO staff has a list of registered programs that can access these scholarships. When registering for a training or service, just inform them that you are an Oregon Mentors registered program, so they can reference this list. Click [here](#) for an upcoming calendar of trainings.

MentorPRO 2.0 Demo Now Available for Current Users

In June, MENTOR launched MentorPRO 2.0 to current users. As of June 28, when users log in, they access the new version of MentorPRO and no longer have access to the old version. If you'd like to provide feedback, report issues, or ask questions, you can click on "Help and Support" located on the left side of the screen. New features will continue to be added throughout the Fall.

Click [here](#) to learn more about MentorPRO. If you're a program interested in utilizing MentorPRO, please e-mail mentorpro@mentoring.org to be added to the mailing list. Demonstrations for new users will begin again this month.

Legislative Session Recap Available from Oregon Commission on Children and Families

The Oregon Commission on Children and Families (OCCF) has created a two-page document detailing the efforts from the most recent legislative session. This piece can help to answer questions about Senate Bill 909 and other legislation which directly impacts the operation of the Oregon Commission on Children and Families, Local Commissions on Children and Families, and programs and initiatives that may affect your programs. Please visit the [OCCF Web site](#) and click 2011 Analysis on Legislation of OCCF under Current Topics to view this document and other helpful reports.

Free Suicide Prevention Training Available in Multnomah County

Multnomah County is offering a FREE intensive two-day ASIST Training (Applied Suicide Intervention Skills Training) for any mentoring program staff who are interested.
