We're interested in knowing what topics you'd like to learn about during the second day sessions. Your feedback is invaluable, so please click [here](#) and complete this five minute survey to help us prepare topics you're interested in for the conference this year. E-mail [Celeste](#) with additional questions or suggestions. We appreciate your guidance!

Capitol Day Registration Extended Until Friday

We encourage all registered programs to sign up for Oregon Mentors Capitol Day on Wednesday, March 23! The deadline to register has been extended to this Friday, so e-mail [Annie](#) if you'd like to participate.

This year will be different than past years because the focus will be on program staff meeting with legislators rather than youth joining us at the Capitol. We hope that allows many more of you to join us. Call (503) 517-8990 with any questions.
